GENERAL CONDITIONS

By signing this Application, the Applicant expressly agrees to abide by the following conditions. This Agreement is binding on the Applicant, its employees, agents, and assigns.

1. The Applicant shall and will hold the City of Douglas harmless from any claim for injury or damages resulting from the work.
2. The Applicant will, during the progress of the work, protect the public with appropriate traffic control to include proper barriers, lights and signing.
3. **The Applicant will backfill all excavated areas with good material, compacted using such methods as necessary to eliminate settlement to a minimum of 95% modified proctor.**
4. The Applicant will restore the surface to the condition specified on the drawings, or if not specified, to a condition equal to, or better than the original including base and pavement.
5. **All work will be subject to inspection and approval by the City. Applicant shall notify the City 48 hours prior to start of construction and upon completion.**
6. **The Applicant will maintain the work area in good, safe condition for a period of sixty (60) days after the last work activity.**
7. If repair of any work area is deemed necessary by the City, for safety reasons, the Applicant will perform the necessary repair as expeditiously as possible but not to exceed five (5) days from date of notification.
8. All work shall be in accordance with Pima Association of Governments (PAG) standard specifications, including pavement cuts and repairs and trench backfilling. PAG standard specifications are available at the City of Douglas, City Hall, 425 10th Street, Douglas, Arizona (Public Works Department).
